

# IFMA FOUNDATION ANNUAL REPORT 2003-2004

Established in 1990 as a non-profit, 501(c)(3) corporation, and as a separate entity from IFMA, the IFMA Foundation works for the public good to promote priority research and educational opportunities for the advancement of the facility management profession.

The IFMA Foundation is supported by the generosity of the FM community including IFMA members, chapters, councils, corporate sponsors and private contributors who share the belief that education and research improve the FM profession.

## IFMA Foundation 2003-2004 Accomplishments

### Research

#### First Annual "Trends Survey & Report"

Focused on identifying facility management and built environment trends. A snapshot of the results are contained in the chart at right. To view the entire white paper, visit the IFMA Foundation Web site at [www.ifmafoundation.org](http://www.ifmafoundation.org).

### IFMA Foundation Scholarships

The IFMA Foundation awarded \$26,500 in scholarships to 17 graduate and undergraduate students of facility management on Oct. 16 at IFMA's World Workplace conference in Salt Lake City, Utah. This brings the total number of dollars awarded by the Foundation to more than \$200,000 since 1991. Funding for the scholarships comes from IFMA councils and local chapters, as well as from corporations with business ties to the facility management industry. To date, 108 scholarships have been awarded.

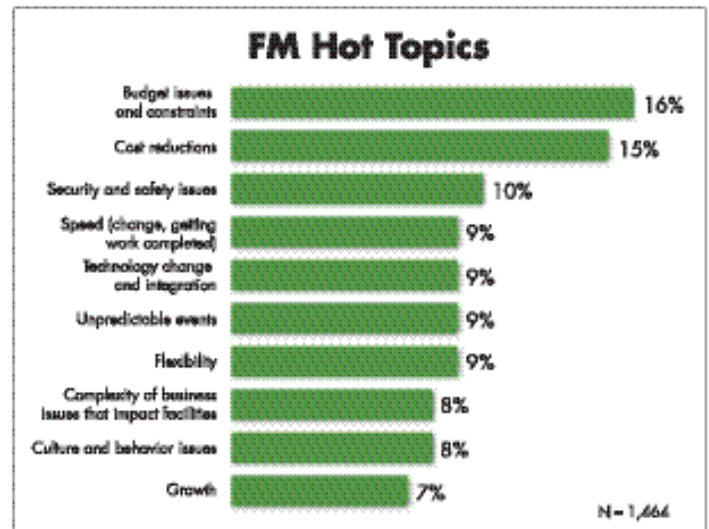

### Sponsor: IFMA Audio Seminar Series

#### "Awareness & Security in the Built Environment"

Special two-hour audio seminar broadcast Sept. 9, 2004 to an audience of more than 400 listeners.

#### "Chemical, Biological, and Radiological (CBR) Threats in the Built Environment"

Broadcast Oct. 28, 2004.
