IFMA FOUNDATION WORLD WORKPLACE ATTENDEE SUBSIDY

In its first year of offering a limited number of free World Workplace registrations, the IFMA Foundation is excited to announce that two deserving recipients were approved for 2006.

The IFMA Foundation World Workplace Attendee Subsidy is intended to address the needs of financially distressed members of the FM community who desire to attend IFMA's annual conference and exposition. There are three areas of selection criteria: financial need, personal goals for attending and previous attendance (preference is given to those who have not attended in the past).

The Foundation hopes to increase its subsidy dollars for IFMA's World Workplace 2007, held in New Orleans, La., USA.
