Facility Management is a critical practice affecting people, organizations and communities.

We ensure the functionality of the Built Environment by integrating People, Place, Process and Technology.

By improving the design, delivery and management of facilities, we impact the Quality of Life where we live, work and play.

BUILDING THE FUTURE FM

vision

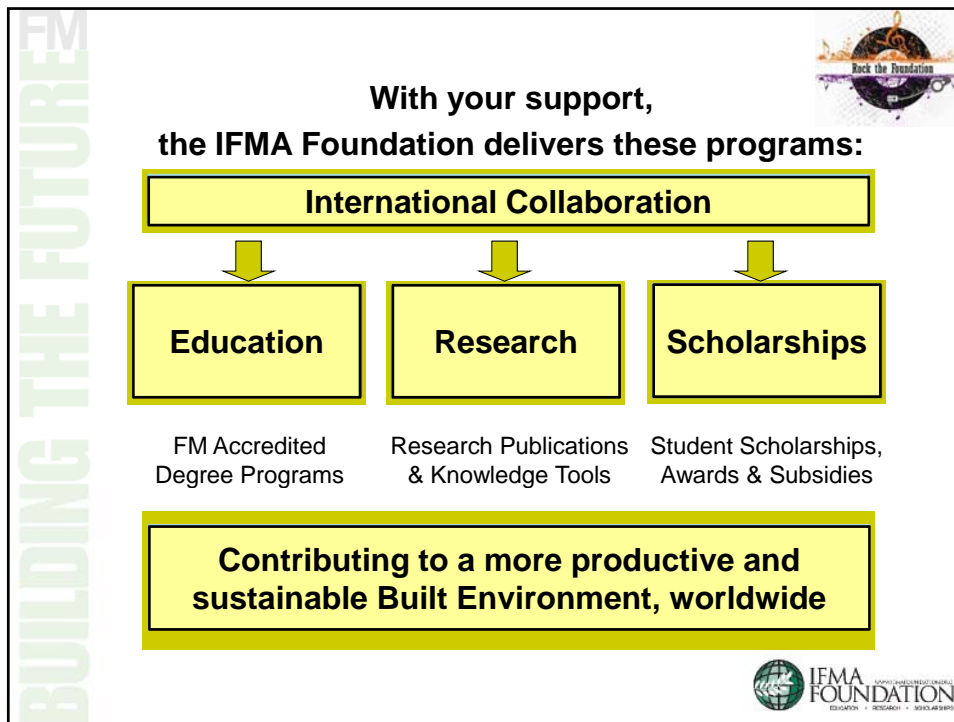

The IFMA Foundation is an **international** non-profit* entity dedicated to expanding **knowledge** of the **Built Environment** through scholarships, education and research.

Since its inception, the IFMA Foundation has raised over **US\$3.5 million** for the cause.

* a 501(c)(3) corporation
